SVAS Biosana Group ("SVAS", the "Company" or the "Group") is an Italian leading player in the medical devices and disposables sector, acting both as a manufacturer and as a distributor.

The Group was founded in Southern Italy in 1972 by Francesco Fausto Perillo, with the aim to provide medical devices in the area. Today, the Group is headquartered in Somma Vesuviana (Naples - NA) with three production plants located in Ottaviano (NA) and Somma Vesuviana (NA).

Medical devices are the core of Svas Biosana commercial offer. The Group counts more than 16,000 references, both with own and third parties brands.

The Group consists of three main companies:

- Svas Biosana: production and distribution of incontinence aids, cotton wool and personal care products, procedural packs (so-called custom packs), dressings, surgical instruments, as well as numerous other medical devices. It constitutes of three business lines: (i) Svas; (ii) Farmex; and (iii) Medical;
- Mark Medical Group: acquired by Svas Biosana in December 2015. It distributes medical items and medical-health devices supplied by top world producers exclusively in the Balkan Area (Slovenia, Croatia, Serbia and Bosnia-Herzegovina). Mark Medical is present in each of these countries in a widespread manner with subsidiaries dedicated to distribution and local assistance.
- **Bormia Group**: acquired by Svas Biosana in June 2022. Bormia Group is active in the distribution of specialized medical devices for cardiac surgery, anaesthesiology, critical care, endovascular procedures and neuroradiology in Slovenia, Croatia, Serbia and Bosnia.

Group Overview

Investment Highlights and Market Dynamics

1. Rich and consolidated portfolio of products to satisfy chronic, medical and surgical healthcare needs **Product Portfolio Advanced Devices** Segment Diversified and complementary Product Portfolio **Specialist Products** Segment 16.000+ Generic Products Product References Segment **Products Customization** Chronic Care **High Quality Offer** Surgical Care Diversified Portfolio Medical Care Complementary Products

2. Qualified commercial structure and close relationship with medical operators generate additional value while creating high entry barriers

Commercial Structure

≈130 Employees

≈ 60 Commercial Agents

Direct contact with hospital team allows to anticipate market needs and trends

Direct presence inside the hospital structures

Hospital presence becomes a strong barrier to entry for new entrants and competitors

3. Demographics, chronic diseases, prevention and national investments as drivers of the market

Growing Elderly Population

Increasing Incidence of Chronic Diseases (3)

in Europe (1)

78,5y

2019 Life Expectancy

2065 Life Expectancy in Europe (2)

Increasing Role in Disease Prevention (4)

Any failure to comply with this restriction may constitute a violation of United States of America securities laws. This Presentation does not constitute and should not be construed as an offer to sell or a solicitation of an offer to buy securities in the United States or any other jurisdiction. The Shares proposed to be offered by the Company have not been, and will not be, registered under the Securities Act or with any securities regulatory authority of any state or other jurisdiction in the Securities Act and may not be offered or sold within the United States, absent registration requirements of the Securities Act and applicable state laws. The Company does not intend to register any offering in the United States or conduct a public offering of securities in the United States. Certain information contained in this Presentation may contain forward-looking statements which involve risks and uncertainties and are subject to change. In some cases, these forward-looking statements can be identified by the use of words such as "believe", "anticipate", "estimate", "estimate", "potential", "expect", "intend," "project", "could", "should", "may", "will", "plan", "aim", "seek" and similar expressions. The forecasts and forward-looking statem

"believe", "anticipate", "estimate", "target", "potential", "expect", "intend", "predict", "project", "could", "should", "may", "will", "plan", "aim", "seek" and similar expressions. The forecasts and forward-looking statements included in this document are necessarily based upon a number of assumptions and estimates that are inherently subject to significant business, operational, economic and competitive uncertainties and contingencies as well as assumptions with respect to future business decisions that are subject to change. By their nature, forward-looking statements involve known and unknown risks and uncertainties, because they relate to events, and depend on circumstances, that may or may not occur in the future. Furthermore, actual results may differ materially from those contained in any forward-looking statement due to a number of significant risks and future events which are outside of the Company's control and cannot be estimated in advance, such as the future economic environment and the actions of competitors and others involved on the market. These forward-looking statements speak only as at the date of this Presentation. The Company cautions you that forward looking-statements are not guarantees of future performance and that its actual financial position, business strategy, plans and objectives of management for future operations may differ materially from those made in or suggested by the forward-looking statements contained in this Presentation. In addition, even if the Company's financial position, business strategy, plans and objectives of management for future operations are consistent with the forward-looking statements contained in this Presentation, those results or developments may not be indicative of results or developments in future periods. The Company expressly disclaims any obligation or undertaking to disseminate any updates or revisions to any forward-looking statements contained herein to reflect any change in the Company's expectations with regard thereto or any change in ev

The information, views and opinions expressed in this Presentation are provided as of the date of this Presentation and remain subject to verification, completion and change without notice. Neither the Company and its affiliates, nor any of their advisors or representatives shall be obliged to furnish or to update any information or to notify or to correct any accuracies in any information.

You should not act or rely on, or make any use of the content of, this Presentation. This Presentation does not purport to be comprehensive. No representation or warranty, express or implied, is given by or on behalf of the Company or any of its directors, officers, advisers, agents or employees or any of their directors, officers, advisers, agents or employees thereof, or any other person as to the accuracy, truthfulness, fairness, materiality or completeness of the information or opinions contained in this Presentation. No liability whatsoever is accepted by the Company or any of its members, directors, officers, advisers, agents or employees thereof, nor any other person for any loss howsoever arising, directly or indirectly, from any use of such information or opinions or otherwise arising in connection therewith.

By accepting this Presentation you agree to be bound by the foregoing restrictions and you will treat as strictly private and confidential all such information and take all reasonable steps to preserve such confidentiality.
